

Ethan Batiste

809 Autumn Willow Drive, Waterloo, ON

ethan.will.batiste@gmail.com

Adaptable | Collaborative | Diligent | Self-Motivated

Professional Experience

Magdanz Lab, University of Waterloo • Visiting Researcher | June 2024 - June 2025

- Completed a novel project using microparticles bound to bull sperm for drug delivery
- Developed an intricate research plan with detailed procedures
- Carried out experiments using a variety of equipment and collected results using microscopy and Image J
- Collaborated with a partner and mentorship team
- Organized findings in lab books, posters and presentations for panels of judges

City of Waterloo and Kitchener Day Camps • Camp Leader | June 2023 - August 2025

- Continued to develop strong collaboration skills with coworkers, children, and caregivers
- Fostered respectful and trustworthy relationships between children and leaders
- Recognized by my team for continuously ensuring the safety of all campers
